

DIAMOND-FLOOR SAW BLADES FOR ASPHALT AND CONCRETE CONVINCING BENEFITS

- Extremely fast cutting, reduced demand on the machine
- Very long life
- High Productivity through robust tool construction

DIAMOND-FLOOR SAW BLADES for machines up to 15kW

TYROLIT offers an extensive range for cutting Asphalt and Concrete surfaces, for the repair installation and removal of cables, pipes and other civil engineering applications. The target group encompasses all Utility Contractors, Sawing and Drilling Specialists and Construction sites.

Product designation defining quality:

PREMIUM ★★★

Quality tools for maximum performance:

Maximum performance and life, comprehensive product range

BASIC ★

Quality tools for general applications:

Good performance and life, versatile

Offset Segments for the prevention of "undercutting" and Segment loss.

Hole for easy measurement of the Segment height (with Premium).

Product designation defining application range:

CONCRETE

ASPHALT

Product benefits overview:

- Extremely high performance
- Operator and machine friendly with only moderate cutting pressure required
- High product safety with laser welded segments

Application:

- For Electric, Petrol and Diesel floor saws up to 15kW
